## Quality & Environmental Policy Statement

**Quartztec-Europe Limited** specialises in the manufacture of Quartz; Thermocouples and Ceramic products for industry.

The nature of the company's activities places particular emphasis upon experience, expertise, capability, reliability, training and quality, and the valuable contributions of our suppliers and partners.

Our organisation is committed to a policy of meeting or exceeding the requirements of our external and internal stakeholders. These requirements will be continually evaluated so that we can increase our understanding of our stakeholder's requirements. All with the aim of achieving our Strategic Goals of:

- #1 Quartz Fabricator in Europe
- 100% Right First Time Every Time
- Embedded Lean Principles

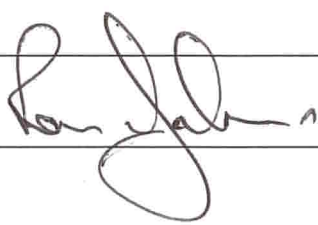

In order to achieve these strategic goals, we have a clear foundation of Quality and Environmental Policy, structured and aligned to BS EN ISO 9001:2015 and 14001:2015, with all regulatory and legal requirements which are applicable.

Our approach is to create a working environment in which every individual has the opportunity to identify improvements and implement continuous improvement.

**Quartztec-Europe Limited** is aware of its responsibilities both internally and externally and will:

- Follow and deliver on procedures to ensure compliance to legal requirements and legislation to which we subscribe
- Include consideration and uphold of Quality & Environmental Issues in all business Strategies and Initiatives
- Engage with all Stakeholders for feedback to drive Continuous Improvement
- Engage with all Stakeholders to encourage Quality & Environmental protection & improvement

This policy has been communicated to all staff, contractors internally and is available on our website and upon request by our external stakeholders. Request for any additional information can be made to Quartztec Europe Limited MD/CEO Ron Jackman.
